

# St Peter's CVA, Middlesbrough

## *St Peter's CVA, Middlesbrough (Ages: 11 - 16)*

At St Peter's Catholic Voluntary Academy we unlock each student's potential. Excellence is an expectation and we expect 100% of our students to leave St Peters secure in the love of God and equipped with the skills, confidence and character to compete with their contemporaries (at a national and international level) and to lead successful and happy lives. We combine traditional standards and high expectations for behaviour and uniform with an ethos in which there are no excuses for engagement in learning and no limits for performance. Our students are challenged continually to consider how they can use their gifts and education to serve and benefit others and have a positive impact upon the future of Middlesbrough and wider society.
