## *St Augustine's School, Scarborough (Ages: 11 - 16)*

St Augustine's is renowned for helping to develop young people with religious and moral character together with high standards of academic success. All staff devote their abilities, energy and time to each child and no-one goes unnoticed. We are a family with Christ at the centre of all that we do. Our faith and search for excellence can be found in all aspects of school life including academic learning, pastoral support and a wealth of personal development activities. These combine to nurture young adults with a well-rounded education and the ability to face the future with confidence.
