

## ***Diploma for School Business Manager – Level 5***

The programme is accredited by the Institute of Leadership and Management (ILM).

This internationally recognised programme for school business managers is designed to develop and enhance knowledge, understanding and expertise through varied operational, developmental and strategic modules. This diploma is part of a suite of school business management qualifications.

The programme is designed to support the professional learning of those that have either completed the Diploma in School Business Management for School Business Managers (Level 4) or are already experienced school business managers. The programme aims to enhance your contribution to the leadership and management of schools.
