

Diploma for School Business Manager – Level 4

The programme is accredited by the Institute of Leadership and Management (ILM).

This internationally recognised programme for school business managers is designed to develop your professional knowledge, understanding and competencies so that you will be able to contribute effectively to key areas of school business management. This diploma is part of a suite of school business management qualifications.

The programme is designed for existing and aspiring school business managers who wish to enhance their leadership, management and administrative skills, as well as their knowledge and understanding of key areas of the role.
