28 June 2021

Dear Parent/Carer,

You may be aware from the local press that Covid infection rates are rising rapidly across the city. Although we have followed government guidelines at all points throughout this pandemic, I believe we now need to deviate slightly and from tomorrow and until further notice I will be asking all staff and students to go back to wearing face coverings inside and including in classrooms. I hope that this will be a short term measure, but I believe that morally we need to address this rise proactively and decisively.

We have had a significant number of staff who are having to self-isolate due to being contacted by the contact tracing app and therefore we need to do everything we can to keep school open and running effectively.

Track and trace has also affected a large number of Year 12 students and although I am aware that there are some mixed messages in terms of the opening up of society when infections rates are on the rise, please can you help by stressing to them the importance of social distancing, hand washing etc.

This is the last thing I was expecting to have to do and I am aware that some of you will hold strong views about the effectiveness of face coverings. However, we need to do everything we can to bring infection rates in the city back down and keep our young people in school.

Thank you for your support with this matter.

Yours Sincerely

Mrs S L Keelan-Beardsley
