Dear Parent/Guardian

As part of your son/daughter's education in A-level Chemistry, he/she would benefit greatly from access to an exam-board approved textbook. While there are various publishers from which to choose, a good standard are those provided by Oxford publishers. Details regarding other options are outlined in the course handbook, which is available on Google Classrooms.

These books are available from all good booksellers for approximately £29.99 (single years) or £43.99 (combined two year course), as well as online. The school has managed to obtain a discount and free delivery for each of these books, as outlined below. Used copies from online retailers may also be available at a reduced cost.

Year	Title	ISBN	Cost
AS	 AQA A-Level Chemistry Year 1	978-0-19-8351818	£25.50
A2	 AQA A-Level Chemistry Year 2	978-0-19-8357711	£24.65

CGP have also developed an excellent two-year revision guide and associated workbook with answer key. These are available from good booksellers for approximately £19.99 and £10.99 respectively. Once again, the school has managed to obtain a discount for each of these books, as outlined below. As previously state, used copies from online retailers may also be available at a reduced cost.

Title	ISBN	Cost
 <p>AQA A-Level Chemistry Revision guide and Practice</p>	978-1789080292	£10.25
