7 June 2022

Dear Parent/Carer

## New GCSE AQA Revision Guides - they include an online edition, videos and quizzes.

CGP have published resources for the GCSE Science course that we are following at All Saints. I highly recommend that your son/daughter purchase the revision guides to support them through their learning.

As a school we can purchase these more cheaply than they are in the shops, and pass the savings on to you.

This is how CGP describe the books:

*The entire course is explained clearly and concisely, with brilliant coverage of the required practicals, maths skills and Working Scientifically, all in CGP's bold 'no-nonsense' style. Each page is rounded off with practice questions to help cement what students have learned, with answers at the back of the book.*

*QR codes throughout give quick and easy access to worked video solutions from our in-house experts, plus an unbeatable online Knowledge Retrieval quiz – designed to be played again and again to make all those facts stick. We've even thrown in a heap of info on "What to Expect in the Exams" available to view online.*

*Redeem the code inside the book for a free Online Edition to read on your PC, Mac or tablet – you'll have temporary access via 'My Online Products' on the CGP website from the moment you place your order. When the book arrives, just use the unique code printed inside the cover to gain full access.*

The cost of the guides are as follows:

Combined Revision guide	£6.10 (retail price £9.95)
Triple Biology, Chemistry and Physics	£3.20 each = total £9.60 (retail price £17.85)

If you wish to purchase these books from school, you can do so through ParentPay, **which will be set up with the correct tier for your son/daughter but please query if you believe it to be incorrect.**

The deadline for placing your order is Friday 24 June and the guides will be available to collect before the end of the school year.

Yours sincerely

Mrs Emma Barnard
