Dear Parent/Carer,

RE: School Structure 2022-23

I am writing to inform you of some changes to our school structure which will be in place for a temporary period over the next academic year.

We have many talented and experienced members of staff at All Saints and over this last year I appointed five additional staff from within the school to join the leadership team. This has provided the school with additional leadership capacity, something the governors and myself viewed as vital given the split site nature of the school. It has also allowed those staff to develop as leaders, preparing them for the next stage in their career.

I have recently been asked to support another diocesan school and therefore next year I will be taking on the role as Executive Headteacher over All Saints and St Francis Xavier School, Richmond. I was previously Headteacher at St Francis Xavier and therefore it will make the role easier to manage.

I will spend time at both schools throughout the week and, to backfill my post, an interim position of Head of School has been added to our structure. Mr Thompson has been appointed to this role. Our leadership development strategy has meant that Mrs Sandwell will step up to Acting Deputy Headteacher and Mr Devanney will become Acting Assistant Headteacher. I am aware that many of you will know all of these members of staff well and will welcome their appointments. Leadership and succession planning is an opportunity for growth and development in a school and I believe we have appointed three fine Catholic leaders to key positions in All Saints.

Yours sincerely,

Mrs Keelan-Beardsley
